The judges may ask any question in an effort to get to know you better. Often the questions cover knowledge of the leather/fetish community, it's leaders and history, and the contestant's GLBT and leather/fetish community service and leadership. You will not be judged on your attire in this category but "leather/fetish casual" is suggested.

**2] Informal Leather/Fetish/Bar Wear [ 15 points max]** each contestant will appear on stage in the informal fetish or bar wear of their choice. Examples of this category would be jeans and chaps with a harness and leather vest, a wrestling singlet, or army fatigues. This category will be your first introduction to the audience. It is your first opportunity to connect with the audience and have the judges witness that connection.

#### **3] Show Your Skin [ 20 points max]**

Each contestant will appear on stage and be judged on their comfort in their own skin. Male contestants will appear in a jock strap [ leather or otherwise] and other accessories if they wish [ harness, armbands, ect...]. Female contestants should appear in a one piece [ ie. Corset] or two piece [ ie. Bra/panties]ensemble that similiary conveys their fetish while showing off their natural body. This category is not a "body-competition." It is a celebration of the leather lifestyle and an opportunity to convey stage presence. [ **Important:** to comply with PA regulations, all ass cracks, pubic areas and female breasts must remain covered]

**4] Formal Fetish [ 20 point max]** Each contestant will appear on stage wearing on stage a full, formal or complete expression of their chosen fetish.
